The lumber in the old Vandenburg schoolhouse will be sold to the highest bidder and a new school house will be built near the site of the old Britsch home, about half a mile away from the old land mark. Alfred Brucks and Robert Breiten were given the contract for building the new school house.

Among the announcements of candidates for offices in Medina county there appears in this issue of the Anvil Herald the name of Arthur H. Rothe, of D'Hanis, as a candidate for Commissioner of Precinct No. 3, Medina county. Mr. Rothe is a member of the Texas Bar, having finished the law course at the University of Texas with the class of 1912. He has never engaged in actual practice with the exception of private counseling in his immediate community, and assisting his neighbors and friends in properly executing their Federal Income tax reports. While a cadet at the West Texas Military Academy in San Antonio, he also had two years' instruction in surveying and leveling work. This course of instruction he has carried along, together with his law work at the University, and has practiced in it sufficiently since leaving school to enable him today to handle a transit, as also a road or farm level, with precision. For the past eight years Mr. Rothe has developed a system of diversified stock-farming on his own ranch near D'Hanis. Mr. Rothe is well known among the people of the precinct which he seeks to serve.

Rev. Geo. G. Smith and wife and little daughter, Edna Helen, were passengers to San Antonio Wednesday. Mrs. Smith and daughter returned home from the city in the evening but Rev. Smith continued his journey on to Henderson on a visit to his mother who resides at that place.

Miss Maude Allen, one of Hondo's popular and accommodating telephone girls, returned Tuesday from a two weeks' vacation spent at San Antonio and Bandera. She reports a most delightful trip, especially to the hill country, but like all Hondo people who roam away to new scenes and new places, is glad to be back home and back on the job.

WANT A HOME IN HONDO—

The R. P. Thomas house on South Front Street, Hondo, a commodious 9-room building with ample grounds and out buildings, is for sale, at \$3,750, or trade on easy terms. See Fletcher Davis at office of Hondo Land Co., Hondo, or the owner, Mr. L. Lawrence, 305 Armour Place, San Antonio, for more particulars.

DON'T MISS THIS CHANCE.

Center Street, from the railroad crossing to its junction with the D'Hanis road south of town has been completed and is open to traffic without interruption. Save for the culverts and a few finishing touches to the graveling the work was practically finished last Saturday but the culverts were not ready for service until Wednesday of this week. While the loose gravel makes travel over the newly constructed roadway somewhat difficult, this will soon be remedied by the gravel becoming packed by rolling by the county roller and the heavy traffic that passes over it. When the drains to carry off storm water are opened it is safe to predict that this part of town will be free of interruption to travel on account of rain and mud for many years to come.

Friends of Joe E. Edmondson, especially those who knew him and learned to love him in the palmy days of the Farmers Union of which organization Joe was State Lecturer, will be pleased to know that he is a candidate for Lieutenant Governor of Texas and they will have an opportunity to vote for a real son of the soil at the primary soon to be held. Joe's platform is "Just a plain citizen and a Democrat." The combination is sound enough—and rare enough these days—to command the consideration and the votes of all who love their country and want to see the ship of state steering again by the landmarks of a true Democracy. Vote for Joe E. Edmondson and you will make no mistake.

J. H. Reynolds, traveling passenger agent of the Southern Pacific, was in Del Rio Wednesday looking after the interests of his road. Mr. Reynolds is a very popular official and a splendid fellow, and in saying this we do so with full knowledge of the fact that he is a friend to Ernest Thumm and came from Hondo, where Ernest and Bob Grant were raised. —West Texas News.

The Hondo baseball team went to Del Rio Wednesday afternoon for a three-game series with the Del Rio team. These two teams are pretty evenly matched and some great playing is anticipated. These teams divided honors in the two games played here, and Hondo baseball fans expect our boys to annex two at least of the three games scheduled.

Misses Loretta Koch and Marcella Grimsinger, who have been guests of Mrs. Chas. Finger and other relatives and friends here, returned to their homes in San Antonio Friday.

Mr. and Mrs. Fred Bickenbach of San Antonio, and Mr. and Mrs. Chas. Schlentz and son, and Mr. and Mrs. Ernst Munne, Mr. and Mrs. Willie Poehler and daughter, were visitors at the home of Fritz Helmke last Sunday.

Mrs. Alfred Schlentz and daughter, Miss Thelma, were visitors to Mr. and Mrs. Chas. Schlentz Thursday.

Mr. E. Hauerson, special agent representing the National Liberty Insurance Company of America, was a business visitor at Hondo Thursday, and paid our office a business call. Mr. Hauerson made a careful survey of the Anvil Herald's fire hazards.

Ben Riff was a business caller at this office Thursday. Mr. Riff was a visitor to San Antonio Monday and informed us that while there he called on Mrs. Anton Beetz, formerly of Castroville but for some years a resident of that city. Friends of Mrs. Beetz will be pleased to learn that while she has been in bad health recently, she seemed much improved when he saw her.

The salvation of the Ward Building and several of the surrounding structures yesterday morning when fire broke out there rested with the town fire plugs and the fire hose. Without them it is extremely doubtful if the fire could have been controlled. Wisdom and prudence would prompt the town to extend the fire mains as much as possible and to keep an abundant supply of hose in good condition on hand at all times.

The glorious Fourth was observed in Hondo by a general cessation of business and an exodus of the greater part of our people to their favorite fishing grounds, and the town presented a deserted appearance. Those who did not answer the call of the wild were lured to the W. O. W. barbecue and speaking at Val Nester's grove at D'Hanis, where their gastronomic needs were amply provided for by a generous supply of barbecued meat, bread, pickles, etc., while speakers entertained the crowd. Altogether it may be said that our natal day was observed in a sane and safe manner.

Judge M. Schorobiny, the county chairman of the Republican Executive Committee, was in town from the ranch Thursday on political business. The Judge was still limping from the effects of an injury sustained to his leg in a recent fall, but a little thing like that can never interfere with a good Republican when there is a duty to perform. By way of contrast with the Republican mental pabulum which constitutes the Judge's daily diet, he ordered twelve servings of real old bottled-in-bond, unadulterated Democracy by having Fletcher's Farming go to him for a dozen issues. Therein the Judge set other good Republicans a most worthy example, for nothing they can do for us would please us better and nothing short of voting the Democratic ticket could possibly do them more good than to become regular imbibers of pure Democracy from the columns of FARMING.

A glance at the vital statistics report for the month disclosed but one death which occurred among the white population for that month, and that one was a transient. Collie Scott was an ex-soldier of the World War, was gassed in France, tuberculosis resulting. He was brought here in the last stages of the disease and was taken to the home of his brother on the Cruse turner place down on the Hondo, where he died June 1st, the body being shipped from Devine to his old home at Iola, Texas. We do not believe a similar record can be shown by any other county in Texas, with an equal population.

Judge H. E. Haass and daughter, Miss Irene, were called to San Antonio Thursday to the bedside of Mrs. Haass, who is at the Santa Rosa Infirmary. Mr. and Mrs. R. A. Carter went to the city Friday. Reports from the hospital as to the condition of Mrs. Haass are alarming. In fact, her physicians hold out but little hope, and predict that her demise is but a few days removed. This news has caused universal sorrow among the people of Hondo.

Encouraging reports on the cotton crop outlook are coming to this paper constantly. Mr. H. F. King, the cashier of the State Bank, informs us that in an examination of fallen squares made this week in his field all of the embryo or larval weevils were found to be dead, presumably killed by the heat of the sun. His cotton is blooming profusely and if the present rate of fruiting keeps up only a short time a fine yield will be secured.

The Black Tigers of Hondo and the Black Sox of San Antonio, colored baseball teams, met at de Montel Park last Saturday afternoon and the Black Tigers fell victims to the Black Sox by a score of 4 to 3. The same teams met on the D'Hanis diamond Sunday and the Black Tigers turned the tables on the Tamaleville aggregation by a score of 7 to 2.

Mrs. Roland Moore returned Friday from a visit to Uvalde. Roland, who was reported in last week's paper as being somewhat indisposed, was brought out from San Antonio to the home of his parents, Mr. and Mrs. Henry Moore, and has recovered sufficiently to be up and around, and barring a backset will soon be again enjoying his normal health.

Mr. and Mrs. R. M. Yantis, Mr. and Mrs. Earl Starnes and Mr. and Mrs. R. W. Russell of San Antonio constituted a fishing party which camped three days on the Rio Frio this week. They report a most delightful time and caught a great many fish.

Hon. John T. Briscoe, candidate for Congress from the 15th district, and Hon. Grover C. Morris, candidate for the state Legislature from the 77th district, were up from Devine Friday in attendance on the county court.

Mr. and Mrs. Ben Oefinger and Mesdames Geo. H. Bendele Sr. and H. V. Haass motored down to San Antonio yesterday morning to visit Mrs. H. E. Haass, who is critically ill at a hospital in that city.

Mr. and Mrs. Fred Bickenbach and Mrs. Willie Bader returned to their homes in San Antonio Wednesday, after a pleasant visit to Fritz Helmke and family.

Mrs. Eugene Behan and little son, Master Montel Williamson, and Master Billy Cullen came out from Camp Travis Saturday and were the guests of Judge and Mrs. Ed de Montel until Wednesday.

Misses Madeline Droitcourt, Bertha Biediger and Evelyn Finger returned Thursday from a several days' visit to relatives and friends in Castroville and Lacoste.

MISS GILLIAM HONORED.

Mrs. George G. Smith and Mr. Eugene Murray honored Miss Panchita Gilliam with a miscellaneous shower Thursday, June 30.

On entering the guests were presented to the bride-to-be, who was seated on a throne of yellow and white. After all the guests were assembled little Miss Jeanette Merritt representing Cupid, gave a solo dance, after which she took the bride-to-be by the hand and led her into the adjoining room to a table, covered with gifts.

Miss Gilliam received many beautiful and useful gifts which she passed around for everyone to see. Among the most useful was a rolling pin, with a very fitting verse written on it.

Refreshments of punch and angel food and gold cake were served. The plate favors were daisies.

After the refreshments were served Mrs. Smith sang several selections, accompanied by Miss Nettie Mae Newton.

When the guests departed it was with the best wishes for the future happiness of the bride-to-be.

ANOTHER FIRE IN HONDO.

Drowsy sleepers, late to rise, were roused from their beauty sleep about seven o'clock yesterday morning by the blowing of the fire whistle, and soon an anxious crowd had gathered around the cause of the alarm.

Fire had broken out from some unknown cause underneath the floor of that part of the Ward Building occupied by Mrs. Haralson's Millinery store, and smoke was pouring from every opening and every crack and crevice about the entire structure. The smoke inside the building was so stifling as to render entrance impossible. Some army gas masks were requisitioned and ex-soldier boys, accustomed to their use, braved the smoke and soon extinguished the fire.

The fire was not controlled, however, until several hundred dollars worth of damage had been done to both the building and to the stock and fixtures. Neither Mr. Ward, who owns the building, nor Mrs. Haralson, who occupied it with a millinery store, had any insurance, we are informed.

—[Farming]—

SHALL THE TOWN CLEAN UP?

Next Monday night will be the regular meeting night of the Hondo Chamber of Commerce. Among other matters that will come up for attention will be that of cleaning up our little city and ridding it of the weeds that are now an eyesore to the public and a growing menace to the health of our people.

You are a citizen of Hondo and are vitally interested in this matter. Come to the meeting whether a member of the Chamber of Commerce or not, and contribute your moral support to a cleaning up. Do not leave the responsibility with the Chamber of Commerce alone.

It is the duty of all members to be present at this meeting unless unavoidably prevented.

—[Farming]—

Q. T. CLUB.

Wednesday afternoon the Q. T. Club met with Miss Ruth Fly. The enjoyable time and the delicious refreshments made us forget that the weather was so hot!

Several games of Forty-two were played; then Nettie Mae Newton gave a number of piano selections. Elizabeth and Etta Fly played two piano duets which everyone enjoyed.

Those present were: Elizabeth Fly, Caro Fusselman, Etta Fly of San Antonio, Erna Leinweber, Helen Lacy, Mrs. Ruth Van Fleet, Gladys Newton, Willie Fly, Eva Long of Elgin, Ruth Windrow, Nettie Mae Newton, Irene Saathoff, Lucille Newton and Ruth Fly.

Fletcher's State Rights Farming

A Monthly Farm Journal

Subscription, \$1.00 per Year. Edited by FLETCHER DAVIS

The editor was for more than four years an Institute Lecturer for the Texas State Department of Agriculture, then for more than two years and attache of the Department's Bureau of Markets, during which time he established and edited the Market Journal and the Market Section of the News Bulletin, and for nearly a year had full editorial charge of the Monthly News Bulletin. He has also been a staff writer on one of the State farm papers for more than three years and has contributed frequently to the other State farm papers.

Mr. Davis hopes in his own farm publication to resume his labors for the farmers of Texas which were interrupted when the News Bulletin was discontinued, and hopes also to receive sufficient patronage from the farmers to enable him to render a greater degree of service than he has ever rendered before.

If you want to help him realize his hopes and desires, clip, fill out and attach money order or check to one of the below blanks and mail it to him at once.

Mr. Fletcher Davis,
Hondo, Texas.
Dear Sir:—Being desirous of helping you further your plans, find enclosed \$_____ for which send FLETCHER'S STATE RIGHTS FARMING to the following address and oblige,

When the 37th Legislature's refusal to appropriate funds for the continuance of the Monthly News Bulletin of the State Department of Agriculture caused its demise, its then editor wrote in the farewell issue:
GOOD-BYE—HOWDY!
The News Bulletin is Dead! Long Live the State Rights Farmer!

With this issue of the Monthly News Bulletin it ceases to exist—done to its death by a spiteful membership of the State Senate! But it is not my purpose to mourn its demise. For seven months I have edited the News Bulletin at a financial loss to myself because of the pitiful wage paid by this great State to its servant. But I have done it because of its exceptional opportunities for service and because the work was a labor of love.

With the passing of the News Bulletin, it dies in body alone. Its spirit is re-incarnated in the State Rights Farmer, born, without hope of pecuniary reward to himself, of the unselfish desire of Commissioner Terrell to continue the valuable service heretofore rendered by the News Bulletin. In the columns of the new publication, unhampered by official restriction, I expect to find a broader and fairer field for service than was possible in the older.

Good-bye, readers and friends of the News Bulletin. To those who want to be readers and friends of the State Rights Farmer, Howdy! And let's go!

Yours for continued service,
FLETCHER DAVIS,
Editor Monthly News Bulletin.

The State Rights Farmer mentioned therein failed to materialize for various reasons. Mr. Davis resigned from the Department and returned to his own publishing business, and after surmounting many difficulties, has launched, on his own responsibility and from his own printing plant, Fletcher's State Rights Farming.

Many of those whose names made the News Bulletin a synonym for reliability and dependability have signified their purpose of contributing of their thought to its pages. Among these are no less personages than Commissioner Geo. B. Terrell, Ex-Commissioner Fred W. Davis, and that indomitable spirit who so popularized the old publication, its founder and former editor, Co. R. R. Claridge.

If only those whom Mr. Davis and the News Bulletin served, not to mention the thousands of farmers they were trying to but had not yet reached, will come to his support with their subscriptions and their advertisements they will make his paper a financial success and broaden its scope of usefulness far beyond the dreams of the state publication.

Won't you who read this be of the number to come immediately to his help in realizing these hopes by sending him your subscription now. Get three of your neighbors to join you—NOW. Don't wait for a second invitation. We thank you—NOW!

For Torp Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. Whiteside, of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

Thedford's BLACK- DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medicine you take. Be sure that the name, "Thedford's Black-Draught," is on the package. At all druggists.

BIOGRAPHICAL SKETCH OF E. W. COLE.
Candidate for Congressman-at-Large

E. W. Cole was born August 20, 1878, and reared on a farm near Alto, Cherokee county, Texas. Mr. Cole acquired his education in a rural school and attended the East Texas Baptist College at Rusk, Texas, in 1898, and through the courtesy of Sam P. Wilson, who tendered the use of his library, read law during 1898 and 1899 and he took a special course at the Agricultural and Mechanical College of Texas in 1913. He is a farmer by profession and owns approximately seven hundred acres of agricultural land in Cherokee county, Texas, which has been acquired by hard work and frugality. He taught rural schools in Cherokee county for three consecutive years—1906, 1907 and 1908.

He was part owner and manager of a cotton gin in Cherokee county from 1900 to 1904. Was business manager for the Red-lawn Fruit and Truck Growers' Association, Alto, Texas, a farmers' co-operative marketing organization, for eight years—1903 to 1910.

Was engaged in the wholesale fruit and produce business with the C. D. Jarratt Company and the Kemp-Cole Brokerage Company from 1911 to 1915 at Wharton, Texas. Was also a retail merchant from 1912 to 1914 at Wharton, Texas.

Was sales manager of the Twin Falls County Potato Growers' Association, Twin Falls, Idaho, in 1914. Was secretary of the Wharton Retail Merchants' Association, Wharton, Texas, from 1913 to 1914.

Was Adjuster for South Texas for the Produce Reporter Company of Chicago, Illinois, in 1914. Was a Confidential Reporter for an American Life Insurance Risk Agency during 1914.

Accepted a position in the Bureau of Markets of the State Department of Agriculture January 19, 1915, under Commissioner Fred W. Davis. On January 1, 1917, was promoted to the station of Director of the Bureau of Markets.

He was associated with the Alex Woldert Company, Tyler, Texas, wholesale distributors of fruits, vegetables pecans and manufacturers of canned goods and peanut products, as assistant general manager from 1918 to 1919.

He served his country during the World War as Federal Food Administrator for Texas and holds an Official Service Certificate issued and signed by Herbert Hoover.

On January 18, 1921, at the request of Commissioner Terrell, he returned to the State service and has since that time been Director of the Bureau of Markets of the State Department of Agriculture.

He was a pioneer in advocating better containers, grades and packs for farm products and sponsored the first attempts in this state at the adoption of Official Uniform State Standards.

He has been a strong advocate of State aid in marketing farm products and is author of the popular booklet entitled "Fundamental Principles in Marketing Farm Products."

He is the author of Senate Bill 3290, introduced by Senator E. F. Ladd, republican, of North Dakota, and known as the "States Rights Commerce Act," and has been successful in convincing the leaders in the present congress that federal laws affecting the states should be administered by the states' officials when the states adopt such laws as state laws. This idea will probably prove to be the solution to a final satisfactory settlement of the question of States Rights.

One of Mr. Cole's recent achievements was to point out to the citizens of Texas that the state is entitled to a Congressman at Large; and he has challenged the right of Congress to deprive Texas of her portion of representation as shown by the 1920 census and guaranteed by the Constitution of the United States.

Vote for him for Congressman-at-Large at the July primary.

A USEFUL PAIN

Hondo People Should Heed Its Warning.

Have you a sharp pain or a dull ache across the small of your back? Do you realize that it's often a timely sign of kidney weakness? Prompt treatment is a safeguard against more serious kidney troubles. Use Doan's Kidney Pills. Profit by a Hondo resident's experience. W. A. Mask, engineer, says: "I found Doan's Kidney Pills to be an A-1 remedy for kidney trouble. My back was sore and my kidneys acted irregularly. I felt tired, worn out and had no ambition to do anything. I had a dull pain in my kidneys day and night. I heard of Doan's Kidney Pills and tried them. One box of Doan's cured my back and I have had no trouble with my kidneys since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Mask had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

GARNER AT WORK, AS USUAL.

It may be said truthfully that there is no member of congress who has been more faithful to his trust than John N. Garner. Probably very few have been in their seat in congress so regularly as he, Congressman Garner has voted on every question of importance that has come up for consideration since he first went to Washington as the representative of this district.

Right now, when his opponent is making speeches over the district, Mr. Garner still sticks to his desk in the capitol, faithful to his duty to the last. It seems hardly fair, indeed, to many members of Congress who have opposition for re-election that they must be held there during this pre-primary period. Mr. Garner merits special commendation for staying at his post during this time. It is said that his opponent has charged that Mr. Garner has not been in close touch with his constituents. If one will but look back, it is easy to recall that congress has been almost continuously in session for the past four years, with barely a week or so between sessions. What opportunity has our representative had to visit the district? He has stayed where duty called him.

John Garner's record speaks for itself. His high standing in congress is sufficient to fill his constituents with pride. Every paper throughout the district should be his spokesman in this contest for the nomination. Every publisher in the fifteenth district must know the nation-wide reputation for statesmanship that he has won. If necessary, let us organize Garner clubs and work for him, while he is at Washington working for us. It would be a colossal blunder to let Mr. Garner be retired at this juncture in the affairs of the democratic organization.—Brownsville Herald.

"42" CLUB ENTERTAINED.

Mesdames Elmer Rothe, O. H. Miller, Ralph Noonan and Henry Merriman delightfully entertained the Ladies' "42" Club at the home of Mrs. Elmer Rothe on Thursday afternoon from four to six.

Mrs. W. H. Smith and Miss Lurine Decker tied for the honor of winning the greatest number of games and were permitted to draw a prize from the grab-bag attached to their tables. Grab-bags in the festive colors, red, white and blue, fastened to each table, and from which only those bidding 84 and making their bid were permitted to draw, added much to the merriment of the afternoon. At the close of the games the contents of the bags had been greatly diminished, showing that quite a number of 84's had been made.

A delicious luncheon, consisting of olives, chicken salad, potato chips, sandwiches, peach cake and spiced tea, was served, with tiny flags and eagles very much in evidence in the decorations. The plate favors were packed of tiny firecrackers tied with tri-colored ribbon.

Those present were: Mesdames L. J. Brucks, Felix Batot, Horace Bradley, Earl Boon, F. S. Cockrell, John Finger, Fletcher Davis, L. E. Heath, A. J. Hutzler, Mimke Muennink, W. H. Smith, Jacob Reilly, Earl Starnes, Laura Wohlhausen, and the hostesses. The guests were: Misses Bennie Bradley of Buda, Woods of Sabin, Lurine Decker and Octavia Davis, and Mesdames Malone and Woodley of Sabin, and Cox and Russell of San Antonio.

YOU CAN WIN \$1,000

A LARGE PICTURE PRINTED ON ENAMELED PAPER SENT FREE ON REQUEST

How Many Objects In This Picture Start With Letter "C"?

That is what you are to determine. Easy, isn't it? You can readily pick out "Car," "Cat," "Can," "Cap," etc., can't you? The rest are almost as easy as counting, and you can find out the number of "C" words in the picture by counting the "C" words in the list below. Twenty-five cash prizes will be paid for the twenty-five best lists of words submitted in answer to this puzzle.

YOU CAN WIN \$1000

No money need be sent with your answer. If your answer wins a prize, and no money has been paid on a subscription, then you would be awarded one of the prizes shown under Class A. If you send in two six month subscriptions, or a one-year subscription, then you will be judged by the number of "C" words in your answer. If you send in one six month subscription to The Houston Chronicle, then you will be judged by the number of "C" words in your answer.

RULES YOU MUST FOLLOW

1—WHO MAY PARTICIPATE: Only persons who reside in the State of Texas or Louisiana may enter.

2—WHO ARE BARRED: Employees of The Houston Chronicle, members of employee families and persons who do not reside in Texas or Louisiana.

3—HOW TO PREPARE YOUR WORD LIST: Write list of words on one side of paper only; number words consecutively, beginning with number 1; write your name and address on the upper right hand corner of each sheet used in listing your words; use separate sheets for any other communication.

4—HOW TO SEND IN SUBSCRIPTION: Use blank printed label for sending in subscription. Specify if you are a NEW or RENEWAL subscriber, and if you want your paper sent to you by mail or delivered by carrier boy or agent.

5—WORDS THAT MAY NOT BE USED: Do not use obsolete or hyphenated words, or words that are made up of two or more separate words. (For example, the word "cabbage" is made up of two words, but is spelled as a single word. The singular or plural may be used, but if one is used, the other may not be used more than once, even to designate different objects. An object can be named but once. Any part of an object can be named that is visible in the picture, even though the object itself has been named. Only words found in Webster's International Dictionary may be used.

6—THE WINNING LISTS: The prizes will be awarded to the list of words in the picture which will appear in the picture with the first prize; the next largest number of correct words will be awarded second prize, etc., until 25 prizes have been awarded. One list will be given for each correct word in a solution; one correct word used and one correct word omitted from a solution. There is no predetermined correct list of words in the picture. The correct list of words will be compiled by the judges from the word lists submitted by contestants.

7—NO PAYMENT NECESSARY: The prizes will be awarded, regardless of whether a subscription payment has been made or not. The judges will not know whether a payment has been made until after the winning lists have been selected.

8—THE JUDGES: The judges will meet immediately following the close of the contest and the names of the prize winners and the winning list of words will be published in The Chronicle just as soon as possible. The prizes will be awarded by mail or by carrier boy or agent.

9—ADDITIONAL TWO WEEKS TO QUALIFY: After the contest has closed, parties who have sent in word lists without subscription payments will be given two weeks additional time in which to make subscription payments if they so desire, but no word lists can be submitted or changed after midnight of the date stated above.

10—THE PRIZES: If your list of "C" words is awarded a prize by the judges and you have made no subscription payments, then you would receive the prize as listed in Class A. If you have sent in one six months paid in advance subscription, then you would receive the prize as listed in Class B. If you had sent in two six months subscriptions, or one subscription for one year, either new or renewal, then you would receive the prize as listed in Class C (see prize list).

11—SUBSCRIPTION RATES are as follows: Daily and Sunday, one year, \$9.00; six months, \$4.50. Daily except Sunday, one year, \$6.00; six months, \$3.00. All subscriptions that are to be delivered by carriers in Houston or by carrier agents in towns outside of Houston, must be for Daily and Sunday. Subscriptions must be sent direct to the publisher by mail may be for the Daily except Sunday, or Daily and Sunday.
